

## **Fees and Loans**

We understand that making the decision to study at degree level is a big commitment, but it is important to remember that there is a lot of information and additional support available to you.

Should you require more information on fees and funding, University Centre St Helens has a dedicated Finance Officer who can help you to understand your entitlements and assist with loan applications. Please contact us for more information or to make an appointment.

### **University Centre St Helens Tuition Fees**

The tuition fees for 2024 entry vary depending on your chosen qualification. These are clearly listed on each individual qualification featured in our course listings.

All eligible full-time and part-time, undergraduate students from the UK are able to apply for a tuition fee loan. No eligible student will have to pay for tuition fees upfront. This will be paid directly to us by the Student Loans Company on your behalf.

The tuition fee loan isn't based on household income, there is no credit check and there is no upper age limit to apply. You can apply for the exact amount of loan to cover your tuition fees and this will be paid directly to us by the Student Loans Company on your behalf.

To apply for student finance, you don't need a confirmed place with us. You should apply using your preferred choice of degree and this can be changed at a later date if needed.

### **Additional Financial Support**

Some students may be entitled to additional financial support, such as Maintenance Loans, Adult Dependants Grant, Disabled Students' Allowances, Childcare Grant and Parents Learning Allowance.

### **Repaying Your Student Loan**

You will have to repay your tuition fee loan and maintenance loans, along with any interest. You won't have to repay other student finance such as grants and bursaries if

you are eligible for them. Your loan repayments are linked to your income. You won't have to start repaying the loan until the April after you have finished your studies and are earning over £25,000 a year.

If your income drops below this amount for any reason, you will stop repaying. You will need to make your financial arrangements as soon as you've applied for a place. For more information on loans, grants or additional support, visit: [www.gov.uk/student-finance](http://www.gov.uk/student-finance).

## **Additional Benefits**

All of our students are entitled to a free breakfast from 8.15am - 8.50am every weekday. Choose from toast, cereal or porridge and a hot or cold drink. Students are entitled to complimentary access to Microsoft Office 365 with five licences, that can be used across several devices. Students are also able to purchase a discounted Arriva bus pass.
