<p>Unifrog Careers Workshops</p> <p>Unifrog is an online tool, designed to help students make an informed choice about their future. It provides the most current local information on salaries, employment and associated education and training.</p> <p>Students will:</p> <ul style="list-style-type: none">• Identify what strengths and key skills they have• Identify career options and conduct research• Build a career action plan that maps out the steps needed to achieve their goals• Tackle gender stereotyping with profiles of women in STEM and men in childcare, teaching and nursing roles.	2/4/5
<p>Successful Student Alumni</p> <p>We can provide profiles of previous students from your school, who have progressed to our College and/or University Centre St Helens, for you to display in career areas, showcasing their success and aspirations for the future. We can also arrange for the students to talk to your current students about their experience and transition from school to college, including the importance of gaining English and maths at GCSE level.</p>	3/4/5/7
<p>STEM Skills Show</p> <p>Our STEM Skills Show takes place each year during National Careers Week. It is a fantastic opportunity for students to gain first-hand insight from employers (including spotlight speakers), colleges and universities. This event highlights how science and technology is vital in modern patient care and the unlimited career opportunities available within such an exciting sector. Schools are welcome to take photographs of their own students taking part in various activities and speaking to the exhibitors. We can also provide schools with a certificate of attendance.</p>	4/5/7
